

## Meet the Animals

### Where to meet

We meet in the yard behind the Natural Science Museum at 7 Milk St. Parking is available at 4 Vestal St. and there is limited street parking. The Tuesday program starts at 2:30pm and the program on Saturday starts at 9:30am.

Use a QRC reader to load a google map on your phone.

### What to bring

Please bring your curiosity and any questions you have about animals on Nantucket!

### What to expect

We will usually hold this program outside in the shady Museum yard, unless it is raining. Museum staff take several snakes and turtles out of their tanks for participants to see up close and even touch! Staff will talk about the behaviors and adaptations that make those species unique. The program last for about half an hour.

We look forward to meeting you soon!

Sincerely,

The Maria Mitchell Association
